

INDIAN PSYCHIATRIC SOCIETY TAMIL NADU CHAPTER NEWSLETTER

ISSUE NO-3 | APR 2024

Message from the President

Dear Esteemed Members,

I am delighted to connect with you all through this newsletter. It brings me great pride to announce the successful registration of our TN-IPS house, achieved through the swift collection of funds. My heartfelt gratitude goes out to all our contributing members for their invaluable support. Importantly, our funds were solely sourced from our members, without any contributions from pharmaceutical companies, affirming our commitment to self-sufficiency. As we embark on the next phase, we aim to undertake interior enhancements and encourage generous contributions to further enhance our TN-IPS house.

Our dedication to academic pursuits remains unwavering, evidenced by our regular participation in Enrich webinars and RCBC programs. The active involvement of our members and postgraduates serves as a testament to our collective enthusiasm and engagement.

In line with our holistic approach to member welfare, TN-IPS is proud to introduce the TN-IPS Fitness Club, aimed at promoting physical well-being among our members. We are providing certificates to acknowledge their achievements, with plans to award Medal to those who complete the task by June 2024.

I extend my heartfelt appreciation to my cabinet team and all members for their steadfast support in realizing the objectives outlined during my presidential acceptance speech.

**With warm regards,
Dr. C. Panneer Selvan
President
TN-IPS**

Message from the Editorial Desk

Dear Esteemed Members,

Welcome to the third edition of the TN-IPS quarterly newsletter! It's a privilege to connect with you and share the exciting developments happening within our esteemed association.

On behalf of the TN-IPS Newsletter Committee, we extend our heartfelt gratitude to our President, Dr. C. Panneer Selvan and the entire cabinet for their dedicated leadership. We also express our sincere appreciation to all our valued members for your support and valuable contributions to the newsletter.

This quarter brings a landmark achievement: the successful registration of our TN-IPS house! This wouldn't have been possible without the swift and generous contributions from each and every member. Our commitment to academic excellence remains strong. We're proud to see the active participation of our members and postgraduates in enriching programs like Enrich webinar and RCBC initiatives. Inside this edition, you will find updates regarding the accomplishments and further plans from the various subcommittees of our TN-IPS.

This newsletter is a testament to the collective spirit and progress within TN-IPS. We look forward to sharing more updates and successes in the upcoming quarters.

Sincerely,

The TN-IPS Newsletter Committee

INDIAN PSYCHIATRIC SOCIETY TAMIL NADU CHAPTER NEWSLETTER

APR 2024

History of TN-IPS

The Indian Psychiatric Society, the national organization of psychiatrists in India, was founded on 7th January 1947 during the Indian Science Congress meeting held in New Delhi with 15 of its founder members. The first national conference of the Society and AGBM was held at Patna on 2nd January 1948 with Dr. N. N. De as President. The society was registered after forming the constitution and Bylaws in Dec 1948 making IPS, the 4th oldest professional organization of the nation.

The IPS currently represents the largest society of mental health professionals in India & works on health advocacy, social activism, policy formulation & medical research in the field of mental health. It has now grown to a membership of above 7000 specialists.

The seed for forming a state level branch originated in 1984 when Dr. Abdul Jabbar from Salem organized TN Psychiatrists meet at Salem with Dr. Sarada Menon as Chief Guest. Like a conference, he also organized paper presentation in that meet. The senior psychiatrists who attended felt the need to form a state level branch of the national body.

Indian Psychiatric Society Tamil Nadu Chapter was founded in the year 1986 in the presence of Prof O. Somasundaram and Dr. Vaidyalingam with six of its founder members including Dr. V. Ramachandran, Chennai, Dr. Abdul Jabbar, Salem, Dr. TN. Jayaraman, Coimbatore, Dr. V. Palaniappun, Chennai, Dr. Mathrubootham, Chennai and Dr. S. Nambi, Chennai. Dr. TN. Jayaraman organized the first ever official conference in Agricultural college, Coimbatore. 25 Psychiatrists immediately became members by paying the membership fee, constitution and bylaws were formed in that meet.

Since its formation, major membership drive done in the annual conference held in Chennai in 1990 with Prof Peter Fernandez as the organizing Chairman and Organizing Secretary Dr S Nambi. All practicing psychiatrists except two attended and first ever membership directory and Souvenir was released in that conference.

Tamil Nadu had active representation in the national body with Dr. T. George as the Hon. General Secretary in 1960's. Prof O. Somasundaram became the President of IPS in 1983. After the formation for TN Chapter, Dr. V. Ramachandran, Dr. V. Palaniappun, Dr. R. Ponnudurai, Dr. S. Nambi, Dr. M. Thirunaaukarasu and Dr. T. V. Asokan have become national president from the state of Tamil Nadu.

IPS TN Chapter has been registered with the Registrar of Societies in the year 2016. The membership has steadily increased over the years and currently more than 600 members are part of the TN state branch.

I request all the members to show solidarity, share your concerns, actively take part in discussion and strengthen the society's activities. Society is not separate entity but reflection of the attitude of its members.

TN – IPS RCBC Programme

The Research Capacity Building Committee (RCBC) is elated to announce the flourishing success of our monthly webinar series!

Consistently held on the fourth Saturday of each month, these webinars have become a valuable resource for postgraduate students and young psychiatrists across the state. By combining expert lectures with interactive journal club discussions, the program fosters a dynamic learning environment that equips the participants with the tools and knowledge they need to excel in research. The positive response from participants underscores the program's effectiveness in supporting the development of research capacity in Tamil Nadu.

3. Announcement of Sports & Fitness Committee

The TN-IPS Sports & Fitness Committee is proud to announce the successful issuance of appreciation certificates to our members who actively participated in recent fitness activities.

We are committed to promoting a healthy and active lifestyle among our members, and we deeply appreciate the dedication and enthusiasm shown by these individuals. Their commitment serves as an inspiration to others and contributes to a positive and well-rounded IPS community in Tamil Nadu.

Congratulations to all the active participants!

We encourage all TN-IPS members to continue their pursuit of physical well-being and participate in future fitness initiatives organized by the committee.
